Joseph Burleson BARLOW was born in September 1858 in Alabama. He was married on 23 December 1876 to Sarah Ann HINTON in Newton County, Texas. Around 1886, they moved to Shelby County, Texas, and settled in Shelbyville. I have records stating he was inducted into the masonic order on 15 August 1893, served as an officer during 1894 and then was expelled on 5 October 1896 for unspecified reasons. The census records for Shelby County in the years 1900, 1910 and 1920, all point to him being born to Georgia natives. Joseph died on 14 July 1920 in Shelby County and Sarah died on 14 November 1927 in Shelby County one day before her 71st birthday. They are both buried in the Shelbyville Cemetery. I have lots of information on the HINTON family. Sarah was born in Atlanta, Georgia, and was a daughter of Mansfield Hinton and Elizabeth White. Most of Sarah's siblings were still alive when she died and are listed in her newspaper obituary from Shelbyville. For a detailed account of Sarah Hinton Barlow's ancestry, please contact me and I will be happy to send it to you. If you have any information on this BARLOW line, please contact me.

My ancestors Alfred Hirton BARLOW and Elizabeth GIBSON were married on 23 June 1834 in Rutherford County, Tennessee. They moved to Newton County, Missouri, in 1841. I am seeking information on the parents of both Alfred Hirton BARLOW and Elizabeth GIBSON.

I am seeking the date of birth and the names of the parents of John A. BARLOW, who was from Cleveland, Ohio, and may have been born there around, say, 1850. He married Pauline GEORGER on June 18, 1872, at Buffalo, Erie County, New York, and I believe that they moved to Cleveland directly after their wedding. Her name may have been Maria Pauline GEORGER or Francisca Paulina GEORGER. She was born in 1848 at Buffalo and was a daughter of Francis Augustus and Barbara (SEWALD) GEORGER.
